

ProCure Proton Therapy Center Presents an Introduction to Proton Therapy

When: April 14, 2015

Where: Clubhouse

Time: 7:00 pm

Dr. Edward Soffen, board certified radiation oncologist, will provide an educational overview of proton therapy, an advanced form of radiation cancer treatment, offered at the ProCure Proton Therapy Center located in Somerset NJ. Dr. Soffen will cover ProCure's history and its mission in improving the lives of patients by increasing access to proton therapy. He will educate on the science behind protons, the clinical benefits of proton therapy as well as the tumor types that can be treated with this advanced radiation therapy.

ProCure is one of only 14 proton therapy centers in the United States and is the *first and only* in the NY/NJ tri-state area.
